Gentlemen:

On December 5th, 1935 at about 1.30 P. M. at the intersection of Commonwealth Avenue and Cottage Farm Bridge a truck belonging to your concern, driven by Elmer E. Brooks, in making a turn made it necessary for a car driven by Harry F. Sylvester to collide with a car driven by my daughter, Sylvia H. Wood, 36 Joy St., Boston, Mass., I being the owner of the car bearing a New York license. My daughter took this matter up with Sylvester's insurer, The Employers' Group, 110 Milk St., Boston, Mass., the claim being $15.00 for a new fender.

I have just been informed by them that they do not consider their assured responsible for the happening of the accident. My delayed communication with you was caused by the dilatory methods of the Employers' Group. I am herewith making a claim against you for $15.00, the cost of a new fender on a Ford suburban wagon. Possibly Mr. Sylvester has also made a claim. A witness to the accident was Gustav L. Kjell, Hillside Park, Melrose, Mass. Any further details or information you desire can be supplied by my daughter.

Very truly yours,

HW:JG
